General Terms and Conditions

General Terms and Conditions for Advertisements and Advertising of Pelemedia GmbH (as at 2024)

Here you will find the General Terms and Conditions (hereinafter referred to as "GTC") of Pelemedia GmbH, which apply to the use of Pelemedia's services.

For a service requiring registration with Pelemedia, you must give your consent to the terms of use applicable to the use of this service. To do this, please click on the "Agree" field or tick the box to give your consent as part of the opt-in procedure. By clicking on the "Agree" box or ticking the box, you declare that you have read the GTC and agree to them. You can also print out or download the GTC.

1. Scope of application: The GTC apply to all services offered to the user on the Pelemedia website, in particular to chargeable content and services, competitions and the marketplace and community area. Deviations from these GTC or special terms of use for individual services shall only be deemed to have been agreed if they have been expressly confirmed in writing by Pelemedia. In particular, the mere omission of an objection by Pelemedia to other general terms and conditions does not mean that they are deemed to have been agreed. Pelemedia is authorised to amend these GTC at any time. Pelemedia will inform the user in good time of any changes to the GTC applicable to the user. The amendment is deemed to have been approved by the user if the user does not object to the amendment or terminate the contract within one month of receipt of the notification of amendment. In the event of an objection, Pelemedia is entitled to terminate the contract with due notice. Pelemedia will make special reference to the possibilities of objection and cancellation, the deadline and the legal consequences, in particular with regard to failure to object, in the notification of the changes.

In particular, Pelemedia is entitled to amend or replace a condition with effect for existing contracts if it becomes invalid, or to amend the affected conditions in accordance with the purpose of the changed legal situation in the event of a change to a statutory provision or supreme court judgement, if this change affects one or more conditions of the contractual relationship, provided that the user is not worse off as a result of the new or amended conditions than under the original conditions. Each amendment, including the updated version of the GTC, will be sent to the User by e-mail. Pelemedia is not responsible for the internet services provided by third parties to which Pelemedia links from its pages or which Pelemedia arranges. The terms of use of the respective providers apply to these services. This applies in particular to co-operation partners on Pelemedia. The offers of the co-operation partners on Pelemedia merely represent a sales platform of the respective partners of Pelemedia. When using the services offered by co-operation partners, a separate legal relationship is established between the user and the co-operation partner, which is independent of any legal relationship between Pelemedia and the user. The legal relationship between the partner and the user is governed exclusively by the terms and conditions and operating processes of the co-operation partner. Pelemedia assumes no liability or warranty for this.

2. Access and participation authorisation: In principle, all users are authorised to access and participate. The following minimum information is required for competitions. All persons over the age of 18 or who can provide a declaration of consent from a parent or legal guardian are eligible to enter. By taking part in the competition, every competition participant agrees to be published in the print edition and on the website with their name and photo, as well as agreeing to further rights of use for advertising and sales purposes. Employees of Pelemedia GmbH and persons involved in the organisation of the game are not permitted to take part in competitions. This also applies to their relatives. Furthermore, Pelemedia reserves the right to change or correct the rules of competitions at any time. Pelemedia only concludes contracts for chargeable content and for the provision of Internet access with persons over the age of 18 or with the express consent of their legal representative. Furthermore, the Internet pages are not directed at persons in countries that prohibit the provision or retrieval of the content posted therein. Each user is responsible for informing themselves about any restrictions before accessing these web pages and for complying with them.

3. Availability: The services of Pelemedia are offered to the user subject to availability. Pelemedia shall endeavour to ensure that the services of Pelemedia are available to the user without disruption. Maintenance work and/or further development and/or other disruptions may limit and/or temporarily interrupt the possibilities of use. This may also result in loss of data. This does not give rise to any claims for compensation on the part of the affected users. Pelemedia is also authorised to change or discontinue the services offered at any time at its own discretion without prior notice.

4. Contractual relationship: The contractual relationship for the use of chargeable content from Pelemedia is established by registering with the desired and selected payment system provider, agreeing to the general terms of use and the respective acceptance by Pelemedia. Acceptance by Pelemedia takes place at the latest when access to the chargeable content is opened. The use of third-party services advertised by Pelemedia on its website, or to which Pelemedia provides access via its website, results in a contractual relationship exclusively between the user and the third party offering the service. Pelemedia assumes no liability or warranty for this.

5. Opening a user account: For certain services on the Pelemedia website, the user must register or can open a user account. The user assures that the services provided by him within the scope of that the personal details provided by the user during registration or when opening a user account on the Pelemedia website, in particular the user's first name, surname and postal address, as well as the date of birth and e-mail address, are true and correct, and that the user will notify Pelemedia immediately of any changes to the details provided.

6. Payment transactions: The fees for chargeable content are settled with a payment system provider to be selected by the user before the service is provided. Only the terms and conditions of use of the payment system provider selected by the user shall apply, to which reference is made at the appropriate point and corresponding assistance is provided. Payment claims must be settled with the selected payment system provider in accordance with the respective terms of use. If the user does not fulfil his payment obligations or payment actions are not carried out or are charged back, Pelemedia is entitled, subject to further claims, to block the user's access. If access is blocked due to outstanding debts and the user settles these, access will be unblocked again. Pelemedia reserves the right to commission third parties to carry out debt collection.

7. Obligations of the user: The user undertakes not to violate any applicable legal provisions or any contractual provisions when using the services of Pelemedia. In particular, the user undertakes to ensure that any content disseminated by him/her does not infringe the rights of third parties (e.g. copyrights, patent and trade mark rights), copyrights, patent and trademark rights), that the applicable criminal laws and youth protection regulations are observed and that no racist, Holocaust-denying, grossly offensive, pornographic or sexual, youth-endangering, extremist, violence-glorifying or trivialising content is used, glorify or trivialise violence, glorify war, promote a terrorist or extremist political organisation, incite to commit a criminal offence, contain defamatory statements, are insulting or unsuitable for minors or other punishable content. Pelemedia must also be notified immediately of any indications of misuse of the contents of Pelemedia or the payment system. The user shall indemnify Pelemedia against any claims asserted by third parties against Pelemedia due to infringement of their rights by this user. This also includes the costs of reasonable legal prosecution and defence. Pelemedia reserves the right to block the user's access to its content and any existing user account and to involve the investigating authorities in the event of justified suspicion of misuse of Pelemedia's services or payment systems. The user may only offset claims by Pelemedia against undisputed or legally enforceable claims. The user is only entitled to rights of retention on the basis of claims arising from the individual, specific contractual relationship of which these GTC form an integral part.

8. The exclusion of liability shall not apply to intent and gross negligence. In all other cases, Pelemedia shall not be liable unless mandatory statutory provisions apply. Pelemedia shall only be liable for foreseeable damages. Liability for indirect damages, in particular consequential damages, unforeseeable damages or atypical damages as well as loss of profit is excluded. The same applies to the consequences of labour disputes, accidental damage and force majeure. Pelemedia provides its own information and data as well as information from other providers by means of hyperlinks (internet links) on the internet and on mobile devices. This information and data is provided for information purposes only, without the user being able to rely on the timeliness, accuracy or completeness of the information. The above limitations of liability apply to all contractual and non-contractual claims.

9. There is no right of withdrawal in favour of the user.

10. Copyright: All content, information, images, videos, databases and computer programmes (e.g. widgets) published on the Pelemedia website are protected by copyright. Use is only permitted for private personal use. Any other use, in particular the private and commercial reproduction, modification, distribution or storage of information or data, in particular of texts, parts of texts, images and film material, requires the prior express consent of Pelemedia. This also applies to inclusion in electronic databases and reproduction on CD-ROM, DVD, etc. Private and/or commercial reproduction, modification, distribution or other misuse of computer programmes is not permitted. The user does not acquire any property rights by downloading or sending the source code of a computer programme. No copyrights or other ancillary copyrights are transferred. If the service and/or the services are discontinued, the user is obliged to delete the source code provided immediately. In all other respects, the legal limits arising from copyright law and other applicable statutory provisions shall apply.

11. Content submitted by the user: Users who submit their own content (e.g. videos, photos, photo series, texts, etc.) to Pelemedia (e.g. as part of competitions, reader campaigns, Internet competitions) agree by submitting their content that the submitted content may be reproduced, distributed and publicly reproduced free of charge on the Internet and in print. The user further declares that he/she owns all copyrights and other rights to the submitted content and that persons depicted on submitted graphic content (e.g. videos, photos, photo series) who are not merely accessories to a location or part of depicted gatherings, processions or similar events agree to the publication. For persons under the age of 18, the consent of the legal guardian is required. Contributions sent by post cannot be returned to the participant. Users undertake not to send to Pelemedia any content that is illegal, grossly offensive, pornographic or sexual, harmful to minors, extremist, glorifies or trivialises violence, glorifies war, promotes a terrorist or extremist political organisation, incites a criminal offence, contains defamatory statements or other punishable content. The user also undertakes not to send any content containing advertising or commercial content. Pelemedia reserves the right not to publish any content sent in. The user indemnifies Pelemedia in full against all third-party claims arising from the fact that the user breaches his/her obligations under these terms and conditions or - contrary to this declaration - the user does not own all rights to the submitted content or persons depicted do not agree to the publication. The content submitted is the personal opinion of the user and does not represent the opinion of Pelemedia. The user has no legal claim to the publication of the submitted content.

12. Right of cancellation: The user is entitled to cancel his declaration of intent to conclude a contract within two weeks. The cancellation period begins at the earliest upon receipt of this instruction. Timely dispatch of the declaration of cancellation is sufficient to meet the deadline. It must be made in writing without giving reasons and addressed to: Pelemedia GmbH, Richard-Reitzner-Allee 2, 85540 Haar. In the event of an effective cancellation, the services received by both parties must be returned and any benefits derived must be surrendered. If the user is unable to return the services received in whole or in part or only in a deteriorated condition, compensation must be paid in this respect. However, the right of cancellation does not apply if Pelemedia has begun to perform the service with the express consent of the user before the end of the cancellation period or if the user has initiated this performance himself (e.g. by downloading, etc.).

13. Termination: Each party reserves the right to terminate the contract for good cause. Good cause exists in particular if the user continues to violate essential provisions of these GTC despite a warning and/or the user commits misconduct directed against third parties by using the Pelemedia service for unlawful purposes or for purposes that harass third parties. All cancellations under these GTC must be made in writing to the address stated in point 12. Access to Pelemedia's services will be blocked once the cancellation takes effect.

14. Place of fulfilment/jurisdiction: The place of fulfilment is the registered office of the provider. In business transactions with merchants, legal entities under public law or special funds under public law, the place of jurisdiction for legal action is the registered office of the provider. Insofar as claims of the provider are not asserted in dunning proceedings, the place of jurisdiction for non-merchants shall be determined by their place of residence. German law shall apply.

If the domicile or habitual residence of the customer, even in the case of non-merchants, is unknown at the time the action is brought or if the customer has moved his domicile or habitual residence outside the area of application of the law after conclusion of the contract, the place of jurisdiction shall be the registered office of the provider if the contract was concluded in writing.

Final provisions: Legal recourse is excluded in connection with participation in competitions. Should individual provisions of these GTC, including these regulations, be wholly or partially invalid, the validity of the remaining provisions or parts of such provisions
